

Central Lyon Fire District

Invites your application for the positions of:

Seasonal Firefighter

This testing will establish a potential hiring list.
Application does not guarantee/represent an offer of
employment.

The District:

Central Lyon County Fire Protection District is located in Dayton, Nevada and proudly serves nearly half of the Lyon County population in seven separate and diverse communities. These communities are spread over 630 square miles along the Highway 50 and Hwy 95 Alternate corridors. Central Lyon is a full-service All-Risk agency offering fire protection, hazardous materials response and mitigation, technical rescue, public education, fire investigations, plan review, fire and life safety inspections, emergency medical services at the ALS transport level, and mutual aid on a local, regional and national basis.

Application Deadline:

Applications will be accepted until the positions have been filled and a hiring list established. Application evaluation will take place starting in mid-April of 2018 with hiring of positions to occur during the month of May.

Compensation:

- The wage is \$13.00 per hour part-time with a maximum of 1,039 hours during fire season 2018.
- There are no benefits associated with this position.

Minimum Qualifications:

- Must be a minimum 18 years of age
- High School Diploma or G.E.D.
- Valid Nevada Class C Driver's License

How to Apply:

- Please provide the following:
 - A completed application
 - A detailed resume
 - Copies of **ALL** minimum qualifications certifications/licenses/education requirements. Desired qualifications can be added but will not supersede the minimum qualification requirements. Please see the Job Description for these requirements.
- Application and Job Description can be obtained through our website www.centrallyonfire.org or contacting the District Office at (775) 246-6209.
- Completed application packets should be mailed or delivered to the District Office at:

Central Lyon County Fire Protection District
Attn: Kris Pradere
246 Dayton Valley Road, Ste. 106
Dayton, NV 89403

The Process: Applications will be accepted until the positions have been filled.

- Application and Resume Review
- Physical fitness testing to include NWCG Arduous Standard Pack Test
- May include an Oral Panel Interview

Employment:

- Conditional offers of employment will be made after completion of the testing process and determination of openings to be filled. Candidates will then have to complete a medical physical, pre-employment drug screen, and background investigation.

Questions:

- Questions can be directed to Battalion Chief Mark Darragh at mdarragh@centralfirenv.org, Office Supervisor Kris Pradere at kpradere@centralfirenv.org or to either by phone at (775) 246-6209.
