

## *Job Announcement*

The Central Lyon County Fire Protection District  
is accepting applications for the position of

### **Risk Reduction Crew Member**

**Closing date: March 17, 2023 at 5:00 p.m.**

**Under the direction of a Fire Captain, crew members participate in a comprehensive risk reduction program in the District to reduce or eliminate the loss of life and property by fire and safeguard the community. Risk Reduction Crews are used primarily for working on fuels projects which include hazardous fuels reduction and restoration of fire adapted ecosystems. This work may entail thinning of timber, woodlands, shrubs, or finer fuels with mechanized equipment, chain saws or hand tools; utilizing prescribed fire to reduce fuels; piling and chipping of slash; chemical application to undesirable fuels; monitoring pre and post fire effects; and fire suppression on occasion. Risk Reduction Crews respond to, and provide support to, District Fire and EMS calls.**
