

Job Announcement

The Central Lyon County Fire Protection District
is accepting applications for the position of

Risk Reduction Crew Member

Closing date: August 4, 2023, at 5:00 p.m.

Crew members participate in a comprehensive risk reduction program in the District to reduce or eliminate the loss of life and property by fire and safeguard the community. Risk Reduction Crews are used primarily for working on fuels projects which include hazardous fuels reduction and restoration of fire adapted ecosystems. This work may entail thinning of timber, woodlands, shrubs, or finer fuels with mechanized equipment, chainsaws or hand tools; utilizing prescribed fire to reduce fuels; piling and chipping of slash; chemical application to undesirable fuels; monitoring pre and post fire effects; and wildland fire suppression on occasion.

Salary and Benefit Information for 2023:

- Annual Salary \$57,716 - \$69,488
- \$27.75 per hour Employee/Employer paid Public Employees Retirement System (PERS)
- \$23.55 per hour Employer paid PERS
- Annual "Step" increase available with satisfactory performance to maximum of Step 4
- This is a temporary full-time position (up to two years, with possibility of extension)
- District pays 100% of medical insurance premiums for employee and dependents, including vision and dental
- IAFF represented position with the Central Lyon County Firefighters Association.
