- 105.6.43 Repair garages and motor fueling facilities
- 105.6.44 Rooftop heliports
- 105.6.45 Spraying or dipping
- 105.6.46 Storage of scrap tires and tire byproducts (exceeding 2,500 cubic feet)
- 105.6.47 Temporary membrane structures and tents (see exceptions in this section)
- 105.6.48 Tire rebuilding plants
- 105.6.49 Waste handling (wrecking yards, junk yards and waste material handling facilities)
- 105.6.50 Wood Products
- 105.6.51 Firefighter air replenishment systems
- 105.6.52 Emergency responder radio coverage

This permit shall constitute permission to maintain, store or handle materials; or to conduct processes that produce conditions hazardous to life or property. Such permission shall not be construed as authority to violate, cancel or set aside any of the provisions of the fire code or other applicable regulations or laws of the jurisdiction. Operational permits are non-transferrable. In the event of change of ownership a new permit shall be submitted to Central Lyon County Fire Protection District.

This permit shall be maintained on an annual basis, following an annual fire inspection. Any changes or additions to the operations set forth by this permit shall require notifying the Central Lyon County Fire Protection District.
